

PRESENTATION OF THE

This 3-week intensive program is designed for undergraduate students interested in African cultures and African business perspectives. The main objective of this immersive program is to give participants key skills to understand the main challenges and specifics of doing business in/with Africa. Students will meet and interact with local experts and professionals who will help them understand the diversity of African business and entrepreneurial practices. They will also visit local companies and associations.

THREE-WEEK THEMATIC

- Introduction to Arabic/Muslim Culture
- Artificial Intelligence and Innovation
- Doing business in Africa
- Entrepreneurship and startups in Africa

Application process

- 1st step: Partner schools nominate students online on the nomination form.

Open until April 30th, 2025
